It's a two girl pussy party!

Sex has always been, and will be a very private thing, but this time you can watch. It's not that we're embarrassed, we're not. It's just that we're a little inhibited. We would probably do more nastier things without the cameras here. So, you'll just have to use your imagination on what we do to each other's pussies and tight asses.

.....

I'm sitting here in my man vcave with my girlfriend. WEe're sipping esspressos and munching on scones. Yeah, right. It's really beer and pizza! I'm trying to write this column when she says she wants to do it and tell you guys about my fucking her butt. It goes like this...

For months, Bobby (not my real name) had been wanting to pork me up my butt, but I was too afraid. I was sure it would hurt. I thought it was dirty. For all of my 22 years, I'd been taught that the asshole was a dirty place. Finally I couldn't keep arguing, though, so I agreed. To my surprise, he started by licking around my rim. I had thought he would just smear on Vaseline and shove it

in, but his tongue got there first. His tongue tip lightly slicked its way around my wrinkled door, touching here and there.

First he slid it around in circles, making me feel it on every nerve. I was surprised I even had nerve endings in my back door. I sure as hell didn't know I could feel so good there! My god—I had discovered a whole new pleasure zone! As Bobby's tongue flicked here and there, my clit began to wake up and buzz, almost as if he'd been licking me there instead of on my rosebud.

Then he started playing teasing games with me. His

tongue would dart out and touch my anal hole, then dart away again, touch down somewhere else on my sphincter, then retract again. I trembled, never knowing where he was going to strike next. Not knowing kept me on edge, and being on edge meant that when he did lick my bung again, I was ultra-receptive to it and quivered just to feel his tonguetip on me.

Then his tongue slithered inside my hole. Yes—right inside the grip of my sphincter and up inside me. Oh, it was awesome, the way I felt when that tongue started probing around inside my inner recesses and actually touched all kinds of dark and secret places up inside me. I expected Bobby to recoil in disgust at any minute, but far from it. His body kept hunching back and forth with lust. It's true—eating out my ass was making him hot! I was amazed...and I was also totally turned on. What he was doing wasn't just having an effect on him but on me too. I felt him driving me nuts and slowly went up in flames. If his tongue felt that good, how was his cock going to feel up inside me?

But he wasn't ready to let me find out yet. First he inserted a finger up there. When he finally pulled his tongue out of my bunghole, he still didn't feed me his cock, but instead worked several fingers up inside me. He started with just one, slipping it into the grip of my spit-lubed bunghole. He inserted it very carefully, at first only to the first knuckle, then the second, and then wriggling it around when he got it deeper inside me.

I was lying on the bed, and as he began to fingerfuck my ass, I started hunching against the bed, driving my crotch into the mattress, feeling my pussy start to drool and throb. I mean, I was fucking hot!

That was when he added a second finger, working it in to join its friend so two fingers were sliding tantalizingly in and out of my little back door. Only I guess my back door wasn't that little anymore, especially when

He inserted it very carefully, at first only to the first knuckle, then the second, and then wriggling it around when he got it deeper inside me.

he added a third finger and began really going to town, driving those fingers in and out of me hard, really fucking my ass with them. I was fucking against the mattress, my pussy empty but as hot as if it had been stuffed with Bobby's big meat.

"He pulled his tongue out of my bunghole"

That's when his other hand got into the action. He slid it down under me and wriggled one finger up against my clit-button, which really made me squirm. I was so into it now I could have taken on an army of men. But I only wanted Bobby. I have never been so hot in my life. I was burning. I was in such need I almost slid my own hand down to get myself off. "Fuck me!" I begged.

"In your ass?" he whispered. "'Cause that's where you're getting it—in your ass. Are you ready?"

"Yeah," I panted.

Bobby (I think I'm beginning to sweat too much as she tells this!) got behind me, put his hand under my pelvis, and pulled me up into position. Then he took his club of a cock in his hand and held it up against my wrinkled sphincter. Holding his cock in his hand, he rubbed it across my bunghole. I could feel the pre-lube drooling out of his cockhead and coating my rim. I could feel the warmth of his seeping fluids. I could feel the pointed end of his cock sliding across my pucker. I backed up against him. "Quit teasing me!" I whimpered. "Do it!"

So Bobby slid right up to the opening. He began to use a slow but steady force to pry my tight gates open and work his way inside. I helped by backing up, till at last my hole opened a little and let Bobby's cockhead slip in. I was barely open, but I could feel the point just starting to work its way up my tunnel. "Give me more," I gasped. Bobby pushed deeper, until finally his whole cockhead was lodged in the grip of my straining sphincter. It burned. It really did. It sort of hurt. But it wasn't bad. It really wasn't. And even though it hurt, it somehow felt good at the same time.

Still, there was that pain. I stayed stock-still for a minute. Bobby brought a hand around to my front and started to tickle my clit again. Without thinking, I began to hunch back and forth as his tickling finger tantalized my clitty.

As I moved, I swallowed up more of his cock into my asshole. Finally his whole bulging cockhead was lodged inside my humid canal.

Then Bobby began to rock slowly. He pushed a little more and a little more, and a little more of his cock into my back door till I had swallowed a good third of him. Then he started tickling my clit again. Soon I had more than half of him inside me as I rocked back and forth on his shaft. My hungry asshole wanted to swallow him whole!

I could feel the pre-lube drooling out of his cockhead and coating my rim. I could feel the warmth of his seeping fluids.

Bobby was gentle despite his eagerness, and he kept encouraging me with words like, "That's it, honey, you're doing fine. It feels so good. Yes, you're making me so hot. Ohh, I want to spray the biggest load of my life up your hiney."

And that's what he did—before I could get off. Bobby told me most girls can't get off that way, not just from anal alone. So I didn't feel too bad when he sprayed my ass-walls with his powerful spurt of cream and I still didn't come. He made it up to me quickly—he ate me out and gave me one of the biggest and best orgasms of my life. I guess in part it was so good because I was so hot, and I was so hot because of what he'd done to me. You can bet that anal sex will be a regular part of our sex lives now.

GEORGIA & LILY

Strapped on

I had never been fucked by a strap on before, but when I met Lily, and got to know her a bit better, I agreed to try it with her. She seemed quite knowledgeable and very friendly, so I agreed to meet at her place. We hit it off, and before I knew it we were naked and licking pussies. Then the thing came out and I liked it, a lot.

ICE CREAM AND OTHER TREATS

I've been driving my ice cream truck in Waco for nearly a year now. Some of the people on my route I've known for as long as I've been working up there, or nearly. And some I think of as friends.

I first met Lorraine seven years ago, when she was 13. She and her little brother, Mikey, were standing at the truck. A number of kids had ordered. Finally Lorraine asked if I had any freebies.

They had no money; my heart went out to them. I was 19 at the time. Motioning her to the window, I told them to hold out their hands like they were giving me money. And I handed them an ice cream each. It was blistering hot that day, and I could see the relief on their faces.

Evidently Lorraine never forgot that.

Seven years later, early last summer, she stood at the side of the truck again. She had blossomed into one drop-dead gorgeous woman! She stands about six feet tall and is built like the proverbial brick shithouse. She must sport a 38D-25-37 figure, without a drop of fat.

Her shorts were very short, riding up the crack of her ass. Her tube top strained to conceal her luscious tits. And her short hairdo was dyed a bright blonde. Her thighs rippled with muscle when she moved. And her belly was cut

into a six-pack. One hot woman!

Being bi, I found myself imagining what she would look like naked. Not that that much imagination was needed, the way she was dressed. Very revealing.

Her brother was with his buddies at the back of the crowd around the side of the truck. Lorraine muscled her way to the side, opened the door, and stepped into the truck. "Close up now and drive off," she said. Urgency filled her voice.

I looked at her, stunned. "Why?" I whispered.

"Just do it!" she insisted. "I'll explain in a minute."

I felt fear hit me in the stomach. Closing the side panel without explanation, I started the engine and drove off.

There is no passenger seat in one of these trucks. So Lorraine squatted on the floor at the sliding door. I couldn't help but see the tight shorts ride into the cleft that was her thick, dark pussy-lips. The fear I felt was suddenly peppered with lust, and I felt an intense wave of desire flow through me.

About a block away she said, "My little brother and his friends were going to rob you. I overheard him discussing it in the living room. I remember what you did for us way back when and appreciate that forever. I wasn't going to let him do that to you."

I was floored! Her brother had always been so nice to me. I didn't know he was doing things like that. "Won't you have to face him later?" I asked. I figured he would be pissed off.

She stood with a grin on her face. "Ain't none of them bastards want to mess with this," she said proudly. I could see why. She's big, powerful, and beautiful.

She squatted again, and again her lips were revealed. I couldn't keep my eyes from them. The hunger was building inside me. I'd never been with a Latina girl like this before. The contrast of her dark skin against my lily-white skin would be one very erotic sight. The two of us entwined in a hot lesbian tryst would look damn good in my memories!

She saw me looking at her pussy. "You like that, girl?" she asked. I swallowed hard. I didn't know if she was into girls or not. She had caught me pecking, and I felt like I did when I was six and my dad caught me stealing from my mother's pocketbook. I was embarrassed and felt my face flush.

"Oh you dooooo!" she said in a sing-song tone. She stood and went to the back of the truck. I watched in the rear-view mirror. Without hesitation she peeled the shorts from her sumptuous body. God! I gasped. She is truly beautiful! Everything on her is firm. Her hips are thick and muscular. Her thighs taper, thick with muscle. Her pussy is plump and full, the lips forming a neat slit. The dark hair is trimmed into a narrow strip.

Her tube top followed, and

she stood there, stark naked. From the movement, her big, soft tits bounced and swayed freely. My own pussy was feeling an extreme ache. I was getting wet and needed to get off, now!

Since I have been on the same route for so long, I know the neighborhood. I knew where some semi-privacy could be had, and that's where I drove to.

As soon as I shut down the engine, I turned and stripped. I'd like to think at 26 I'm not bad-looking either. As I said, my hair is a flaming red. It is thick and cascades to my upper back. At five-seven, I am slender, with 36C tits. The nipples are pink and the areolae swell. They look like almost-ripe cherries when I am horny. And I was very

horny at that moment.

I approached her, trembling. I felt my hands quivering with excitement. No words were spoken. It was like we each knew what was in the other's heart. I went to my knees and brought my mouth to her heavenly pussy. Just as it looked, it

was firm and full. My pressing my lips to it brought a moan from her: "Nnnnnnnnyes girl!" she gasped.

Her hands found my hair and pulled my face to her crotch. I let my tongue slither out and squirm against her swollen clit. The pink of her pussy starkly contrasted with the dark flesh of her skin. Rich, rich candy! Exotic sweets. How I wanted to eat this divine woman.

Her legs parted, and she leaned back as I slavered over her pussy. Her juices flowed like she had not had any sex in quite some time. I licked and lapped all over her pussy-lips, sliding my tongue into her slippery pussy, trying to get all the juices she was giving up. But I couldn't get it all.

I looked up, my mouth open and pressed to her hot pussy. She was leaning back against one of the coolers. Her round, firm ass supported her body. Her hands were massaging her big, sexy tits, squeezing the flesh surrounding her nipples as she rubbed those nipples together.

My pussy was sopping. I ached to reach down and frig myself off. But she was all I could handle at the moment.

As I ate that hot, musk-rich pussy, she moaned and groaned. Occasionally her hips would buck wildly, uncontrollably, with the hot searing pleasure of orgasm. And she stayed just like that, leaning back, legs parted wide and teasing her tits.

Finally my neck got the better of me. I had it cocked back to get at her as best I could, and it crimped on me. When I pulled away, I expected her to object.

But she didn't. Instead she cooed, "Oh man, are you good. I ain't come like that in a long, long time! Lemme do you!"

Okay. You don't need to bash me upside the head to make me know a good thing. We traded places. Since I'm smaller, it would have been difficult for her to do me while on her knees. She simply picked me up and sat me on the cooler, then knelt before me.

Before I could stop her, she opened the freezer at our side, reached in, and came up with a grape Popsicle. Before I knew what had hit me, she had half of it stuck into my fiery pussy. I wailed with the shock of the cold. I tried to pull away from it, but she held me fast. I felt the cold numbing me after a minute and settled down a little. When another minute had passed, she slid the iced treat from me. Opening wide, she stuck it in her mouth and slowly pulled it out. "Mmmmmmmmm!" she moaned with a smile. "Grape cunny!" She handed it to me, and I took it as she went to her knees.

I barely felt her tongue at first. I was numbed. But gradually I started to feel it.

Remember how, when you were a kid, your parents couldn't get you out of the snow if they tried? Finally, hours later you'd come

in, numb to the bone? Remember what it felt like thawing out? That prickly heat slowly creeping into your body?

Imagine that and the delights of a girl's skilled tongue slithering in and out of your pussy at the same time. I was lit up! It felt

like a small-volt battery had been connected to my flesh with each stroke of her tongue. Each stroke brought fiery, intense pleasures shooting through my pussy. It reverberated into my abdomen and had me jerking and spasming uncontrollably. And I hadn't even come yet.

She worked that magic on my pussy for what had to be half an hour. My legs were drawn up with my heels on the edge of the freezer, giving her complete access to my loins. And she licked and sucked my hot pink pussy for a good 30 minutes.

I did come a couple of times near the end of her rapid-fire tongue. That squirming oral sex organ repeatedly dipped into my

stop there. She stood and helped me down off the freezer, and then she climbed on it. She scooted her butt back a bit and spread her legs wide. "Pussy-hunch me," she panted. "Get yours against mine and grind, baby!"

Oh! My! God! I had seen this in porn movies but had never done it. Pussy to pussy. Hot, horny lips, stiff, sensitive clits rubbing and bumping together! I hopped on. Straddling her hips, I squatted down and positioned myself so my pussy was right in front of hers.

She drew her legs up, and I sat on my butt. Arching my hips a little, I felt the press of our hot, quivering pussys. Immediately I started to gush. I felt wave after wave of pleasure burst through me. I had never felt such exquisite delights as this before. The raw essence of female rubbing against the raw essence of female. There is nothing so fine as that in all the world.

I did have a schedule. And now I was late. After we had brought each other off a couple of times, we made plans. She would meet me around the corner from the ice cream company every morning. She would ride with me. I had a break, 30 minutes every morning, an hour lunch, and 30 minutes in the afternoon. In the evening, overtime, I worked at my own pace.

For the rest of the summer we did the nasty in the ice cream truck. Now we live together. I am back in school, and she has an interest in going. I am trying to get her in on grants. I think it will work, but until then...

She's a sex fiend and can't get enough. Which is fine with me!

raw, sopping, sensitive pussy flesh over and over and over again. It was almost like a dick. But it was better! It could flex and bend and twist around inside me, and that drove me half insane.

After I'd erupted twice, she did back away. But she didn't let me
